

We, the undersigned, oppose the new 30 minute parking zones near the intersection of 25th Street and H Street in Bakersfield. We need to park in this area for more than 30 minutes at a time when we exercise our First Amendment rights by participating in activities such as prayer vigils. These restrictions will create more parking problems, not less, and may interfere with our civil rights. We call upon the City Council to consider the interest of the general public and the other nearby businesses which use these streets and not to comply with the unfounded request of one party.
